
A black and white photograph of a woman in a white bathrobe washing her hands at a sink. She is looking down at her hands as water flows from the faucet.

As part of the Aptargroup, a global plastics manufacturing group, Seaquist Closures Löffler develops and produces innovative closures and dispensing systems for the personal care, household, and food & beverage markets.

A black and white photograph showing a close-up of hands resting on a dark, reflective surface, possibly a table or countertop. A metal pot is visible in the foreground.

To further support our dynamic growth as a market leader, **we are seeking to fill the following position for our location in Freyung for a period of one year which could evolve into a permanent employment as applies:**

Industrial Designer (Product Design)

Your role:

A black and white photograph of a woman with blonde hair sitting at a table, smiling and holding a smartphone. A man is visible in the background, also smiling.

You are an integral part of the Innovation Team and collaborate closely with the Project and Marketing functions to visualise innovation ideas, making them transparent to all stakeholders and also work within the wider team to realise the project. You will involve the Engineering and Technical teams in your creative processes to ensure the feasibility of the individual projects and their methodology.

Your profile:

- **Graduation in industrial design**
- **Clearly understand technical implications**
- **Persistence to drive complex projects**
- **Challenge the status-quo**
- **Be resourceful**
- **Enjoy people contact**
- **Experience with 3D software, e. g. Rhino**
- **Excellent communication skills**
- **Experience in project management**
- **Flexibility to travel**
- **Language skills besides English are welcome**
- **Creative personality**

A black and white photograph of a woman drinking water from a clear plastic bottle. She is looking up and smiling, with her hand on the bottle.

The ideal candidate will not only be fluent in English and have a good working knowledge in German, but will be multi-culturally well rounded and able to work easily with diverse workgroups. Candidates must have a strong work ethic and be deadline oriented.

If we have aroused your interest, we would very much like to meet you and request you send us your résumé along with your salary expectations and the earliest possible date you could begin your employment with Aptargroup to:
